PENALTY / Jam #: Enter codes for penalties in the upper row and jam # in the lower row for each skater. Any penalty past the dark line should result in a Foul Out.  
FO/EXP: Foul Outs (FO) for accumulated penalties should be marked as FO. Expulsions (EXP) should be listed by the appropriate penalty code.  
TOTAL: At the end of each period, add the number of penalties for each skater for that period and put it in the "TOTAL" column. The team's total penalties for the period should include Non-Skater Expulsions in the count.  
CARRY OVER: Before period 2, transfer the penalties from period 1 by shading in the equivalent number of boxes.
